

Pepsi Equipment Services – Ice Maker PM Program

ICE MAKER PREVENTATIVE MAINTENANCE PROGRAM

- \$150.50 for 12 point inspection on Manitowoc and Hoshizaki Icemakers
- A Pepsi certified service professional will perform system maintenance and adjustments to ensure quality specs are met
- The inspection and maintenance will require up to 1.5 hours maintenance per unit.
- Icemaker PM's will coincide with scheduled Fountain Equipment Preventative Maintenance Checks
- To register for the Icemaker PM program during your next Fountain Maintenance , contact:

PBCSubwayPM@pepsico.com
